

ARGUS International, Inc. is Growing *Aviation Safety Analyst; Helicopter and Unmanned Aerial Systems Position Available*

ARGUS International, Inc.: Founded in 1995, ARGUS is the worldwide leader in specialized aviation services that allow organizations around the globe to improve their operational and business decision making. Our mission is to exceptionally deliver relevant and valuable information solutions to the Business Aviation, Air Carrier, Rotary Wing, UAS, and the overall Aerospace marketplace.

PRISM (Professional Resources In System Management) LLC: PRISM, a wholly owned subsidiary of ARGUS International Inc., supports over 300 flight departments by supporting all aspects of aviation operations as well as the implementation of Safety Management Systems (SMSs). The position will support analytic processes within each of the PRISM Business Units. The ideal candidate is an individual having excellent communication skills, a strong focus on customer service, an ability to work collaboratively and an interest in aviation safety.

ARGUS is currently seeking an Aviation Safety Analyst, Helicopter and Unmanned Aerial Systems to join our team. This position will work at our Greenwood Village, CO location.

The Aviation Safety Analyst serves as one of the primary customer points of contact for PRISM Safety Management System (SMS) Subscription services. He/she will proactively communicate and work directly with customers to drive satisfaction with all facets of service and products. This responsibility includes collaborating internally with IT, Sales, and Marketing personnel to achieve customer and company goals. He/she is accountable for the coordination of current and historical materials on the program's website and in the virtual working space. Duties also include supporting the company's overall strategy and goals in a manner as assigned by the department head.

Individual responsibilities will include, but not be limited to, the following:

- Support safety, quality, security, or environmental systems for helicopter operators, unmanned aerial system (UAS) operators and business aviation operators to meet applicable regulatory and other requirements
- Provide customers with Safety Management (SMS) subject and technical support in the PRISM SMS subscription tools
- Participate and collaborate with the product team in the ongoing development and maintenance of the PRISM SMS tools website
- Build and maintain strong relationships with customers in order to enhance their trust in PRISM as a neutral third party who provides value to their business
- Monitor current business aviation and UAS industry news for project opportunities
- Write articles for the monthly safety newsletter that gets distributed to customers

- Administer online safety culture surveys for customers
- Perform aviation safety related research briefs as directed by the Department Head or as requested by the customer
- Organize and maintain current and historical work files in a shared virtual space
- Assist ARGUS sales department with on-line product demonstrations to prospective customers as required
- Coordinate with ARGUS marketing department to develop effective marketing materials
- Develop strategies to deliver PRISM services that anticipate customer requirements

Minimum requirements:

- 4-year BS/BA college degree or equivalent work experience
- Minimum 3 years technical experience in Aviation Safety with an understanding of aircraft ground and flight operations. Helicopter pilot, UAS Remote Pilot, and/or mechanic qualification/certification a plus
- Formal academic training and/or practical work experience in aviation Safety Management Systems (SMS), auditing, risk mitigation, regulatory compliance and project management a plus
- Working knowledge of 14 CFR and how to research and navigate within all of the CFRs
- Proficient use with Microsoft Office programs, including Excel, Word, PowerPoint, Outlook and Publisher
- Comfortable with the use of web meetings for customer orientation and training
- Strong customer service skills
- Adept verbal and written communication skills. Self-motivated and well organized
- Excellent working knowledge of internet and web-based applications
- A life-long learning mindset and ability to think creatively

Why Chose ARGUS? ARGUS is an equal opportunity employer. Full time benefits will include; 401K Match, Medical/Dental/Vision Insurance, Paid Vacation and Holidays, Flexible Schedules, Gym Reimbursement, Competitive Salary with casual atmosphere.
